Certain portfolio companies presented are held by multiple entities sponsored by Tribe Capital.

Certain information presented herein is based information from third-party sources. While Tribe believes such information to be accurate, it has relied upon such sources as accurate information and has not independently verified such information.

The reader should not assume that an investment in any company was or will be profitable.

The enterprise values listed on our website are determined by Tribe Capital and reflect the firm's good faith valuation of the enterprise value of each company, not the size or carrying value of Tribe Capital's investment, the amount of deployed capital in the company, or the relative concentration within the portfolios of its various clients. Enterprise values are generally based on the most recent financing round post-money valuation for the company's equity capital. From time to time, enterprise values may also be based upon numerous assumptions with respect to industry performance, general business, economic, geo-political, market and financial conditions and other matters, all of which are difficult to predict and beyond our control. Such enterprise values may also reflect numerous estimates and assumptions related to the applicable company's business that are inherently subject to significant economic, political and competitive uncertainties, all of which are difficult to predict and many of which are beyond our control. As a result, although the enterprise values set forth on our website are calculated in good faith based on assumptions believed to be reasonable at the time the enterprise value was calculated, there can be no assurance that the assumptions made in preparing such enterprise value will prove accurate or that the enterprise value reflected therein will be realized upon a liquidity event. Enterprise values are estimated, unaudited, and subject to change. Unless otherwise noted, all valuations are as of June 30, 2023.
